MapRun Challenge: Ravenswood

Join us for the second meeting in the 2022 series of "MapRuns Challenges" on the evening of Tuesday 24th May. It will be a 45 minute score event around the streets, paths & green spaces (& sculptures!) of the Ravenswood area of SE Ipswich - using the MapRun GPS app to track, time & record your effort. We hope that you'll join us for a chat afterwards (at The Raven, Hening Avenue, IP3 9QL; food available); it'll be good to meet/catch up with everyone!

Karen Poulter is hosting the event, which starts from the corner of the Common Play Area at the end of the footpath from the Shoppers Car Park. Karen will be at the meeting point between 18:00 & 18:15 & will be able to help anyone unsure of the procedure. Families & newcomers are welcome to join us, but under 16s will need to be accompanied by an adult when taking part.

There's no entry fee for the event but it will help if you let Karen know beforehand, so please [email her](#) if you're planning to come.

The details of the new Ravenswood MapRun course are on our [website](#). An optional map file for printing, plus links so that your MapRun6 app can automatically find & download the course details, will be available from the same web page on the day before the event. General information about our MapRun courses can be found on the three webpages which start [here](#).

If you're new to MapRun & a little unsure about it this is an ideal opportunity to ask for advice - it's best to download the MapRun6 app to your Android or iPhone beforehand, then we can help you get started.
