

Suffolk Summer Series 2010

For the third year running the club will be putting on a series of informal events on Wednesday evenings from late May to July, following on from our Bridge Wood CATI on Sunday, 23rd May. Each will offer two sprint style courses, one short and relatively easy standard, and the other a little longer and more challenging. We will be using some of our smaller patches of wood / heath / parkland (including 2 brand new areas). Starts times will be from 6.30 pm – 7.30 pm, Fees will be £1 adults (to cover map production and land access fees) and free for children. You will need to bring a pen to record the letters on the controls.

We've had 5 people kindly step forward to plan the events but I'm sure they would appreciate a little help with the organisation (to either record entries, start people or act as time keeper) or to collect the markers afterwards.

The precise parking details are provisional, so please check the club web site Suffolk <http://www.suffoc.co.uk> for confirmation nearer the date.
