Terrain & Safety Info

Chillesford is the SW section of Tunstall Forest, the large Forestry Commission coniferous plantation to NE of Woodbridge. The forest was clear-felled in the early nineties & has now reached a level of maturity suitable for the sport. Although relatively flat overall the area does offer a physical challenge and has a wealth of line and point features to aid navigation.

A road crossing will be involved on the longer courses.

Dogs: on lead in car park & under strict control on courses.

Map 1:10,000, recent updates

Directions Parking will be on a ride accessed from the B1078 which runs SE from the village of Tunstall (see Streetmap link from the grid reference above). The “nearest postcode” is centred slightly further to the South.
