

SUFFOLK ORIENTEERING CLUB

27th July 2021

Woodbridge

Join us for the fourth of our "Social MapRuns" on the evening of Tuesday 27th July. It will be a Street-O, a 60 minute score event around the northern part of Woodbridge - using the MapRun GPS app to track, time & record your effort. We hope that you'll join us for a chat afterwards – it'll be good to meet/catch up with everyone!

Ray Kingdom is hosting the event, which starts from the Melton Playing Field car park, nearest postcode IP12 1NZ. Ray will be welcoming runners between 18:45 & 19:00 & will be able to help anyone unsure of the procedure.

Post code:

IP12 1NZ

OS Grid Ref:

TM 279 501

There's no entry fee for the event but it will help if you let Ray know beforehand, so please [email him](#) if you're planning to come.

The details of the Woodbridge North MapRun course are on our [website](#) - the only modification for the evening run is that we'll use Control 1 as the Start/ Finish instead of the point marked on the map (though the original one will still allow you to score points). The webpage has links so that your MapRun6 app can automatically find & download the course details. Details of the links are included in the general information about our MapRun courses on the three webpages which start [here](#).

If you're new to MapRun & a little unsure about it this is an ideal opportunity to ask for advice - it's best to download the MapRun6 app to your Android or iPhone beforehand, then we can help you get started.

Enjoy - & stay safe!
