

# SUFFOC club clothing order 2018

Please let me know if you would like to order either a jacket or a running top. I will need to know the size (size guide attached). The prices have gone up a bit as the pound is not doing so well.

## Description of the jacket:

A light-weight training jacket made from an innovative Microsense performance fabric - breathable and perfect for extreme environment. The jacket has wind proof functions and water-repellent finish, which makes it suitable for training even in unfavourable weather conditions. The material is very soft, anti-static and easy to look after. The lycra panels are strategically positioned to provide maximum comfort and freedom of movement without interrupting any design pattern on the front and back.
